Fred Anderson has completed a rack to be placed on the chemical fire truck for holding the boots of the firemen when they are not in use. In this way these necessary pieces of furniture will always be on hand when needed.

The fireboys say that they like the curb parking better than the center parking, because it enables them to turn the big truck at the corners with out danger of running into one of the parked cars and it enables them to pass an automobile with the fire truck as they could not do this when the center of the streets were full of parked cars. So this curb parking seems to suit some people.

HOLY WEEK

Sunday the Church enters into the week which commemorates the most sacred events in the life of our Lord. Starting with the one occasion on which He was accorded recognition as King, it proceeds through the events of His Passion:—The Feast of the Passover, the Institution of the Lord's Supper, the agony of Gethsemane, the mockeries of the trials, the cruel scourging, and then the world's most awful deed, CALVARY, culminating as the week does in the Glorious Resurrection on Easter Day which brings to the world its hope of immortality and eternal glory.

Can anyone be dumb to the appeal of the Christ when he recognizes the price He paid for our salvation?

The events of this coming week will be properly brought to the attention of the worshippers at The Church of the Open Door. YOU are cordially invited to be one of those worshippers.

If you do not attend church elsewhere COME to the services of our church this Holy Week.

Special music by the Choir.

There is room for all.

COME.

At the meeting of the City Council Tuesday evening the salary of the road overseer of North Platte was returned to the limits set by ordinance which is \$150.00 a month. BOY SCOUT FINANCIAL CAMPAIGN
PLANNED FOR THE NEAR
FUTURE

The Boy Scout Council wants \$5,000 for the boy scout work for the coming year. It asked the Rotary Club and the Kiwanis Club and the Chamber of Commerce to send delegates to a meeting held in the Union Pacific Dining room, last Tuesday. The committees met as a joint committee and canvassed the situation thoroughly. It listened to reports of the work that has been done and was told of the plans for future work. It went over the budget which was submitted by the Council and planned to take copies back to the organizations which were represented. Following is a copy of the budget submitted:

Scout Executive salary	\$2500.00
Clerical and office help	400.00
Transportation and visiting expense for extension work in county	300.00
Stationary, office supplies, printing, telephone, advertising, etc.	300.00
Postage, parcel post	50.00
Headquarters rentals	300.00
National Council fees	100.00
Camp running expenses	250.00
Permanent improvements and upkeep of camp	250.00
Supply, equipment, contingency and working fund, freight, express, etc.	550.00
	\$5000.00

It is probable that the Campaign will be put on the last of the month and it is the intention to have every organization and club in the city take a part. Definite announcements will be made in the near future.

To the Editor of The Tribune:

Dear Sir:

May I as a taxpayer of your city and of the county have just a little space to express my sentiments in regard to some of the questions coming up for consideration. Deepest thought and will to combat with them in fairness to ourselves, our community at large and most of all to our children, who must take our place in time to come, Mr. Editor, I read the plea made for a holy Sabbath keeping in the Lutheran Helper, and I for one coincide to the letter with the Editor of the little paper. We do not need to make our Sabbath a day to be dreaded but the best day of the week as the Lord asked us to do. Who would like to be found on the dance floor or at a movie on the only day God has asked us for and to know He and The Saviour totally forgotten should he appear to claim His own and he says he will surely come "When no man knoweth". So, Mr. Editor of The Tribune and Mr. Editor of Lutheran Helper, I for one am thankful for the privilege to vote against dancing in schools and any kind of unseemly conduct on Our Lord's Day. Let us get together on these things and at least make our town one to be proud of. If our young people who as a rule as proud of our country and of the great men and women who have made it what it is, will take the trouble to study their characters they will find everyone of them men and women God fearing, Bible reading and to use a most correct expression—Bible law abiding people, who as a rule are proud of our

fare of our young people who must come after us vote right when the opportunity comes and when we are passed on, our children will look back and thank us for our stand and our county will not go back to Paganism as we are the leading nation of the world let us try to bring our children up right—God fearing and law abiding. Thank you Mr. Editor for your space, but I wanted to back up the Editor of the Lutheran Helper.

A TAXPAYER.

Interesting People

The most interesting persons you meet these days are the men and women, who having saved money during the past few years now find themselves in a position to take advantage of lower prices in their buying of personal necessities, living expenses and investments.

Ask any of them for advice and they will say, "Start a bank account; save your money." In no other way can you discount the future.
